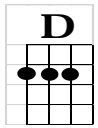
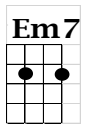
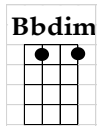
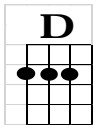
# Let It Snow



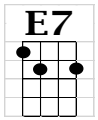


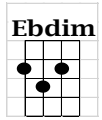


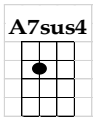


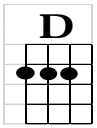
G G Am

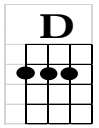
Oh the weather outside is frightful But the fire is so de-lightful





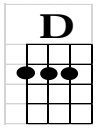


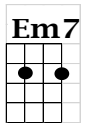


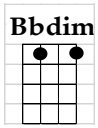


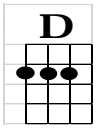
Am Am G

And since we've no place to go Let it snow, let it snow, let it snow



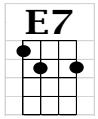


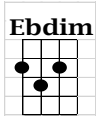


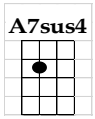


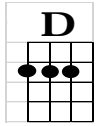
G G Am

It doesn't show signs of stopping And I brought some corn for popping









Am Am G

The lights are turned way down low Let it snow, let it snow, let it snow

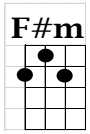
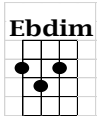
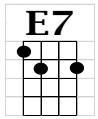
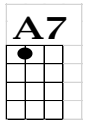
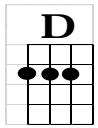
When we finally kiss good night How I'll hate going out in the storm

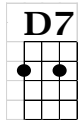




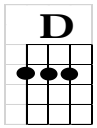


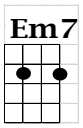


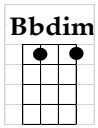


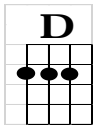


But if you really hold me tight All the way home I'll be warm



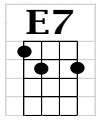


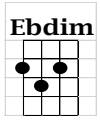


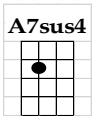


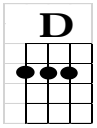
G G Am

The fire is slowly dying And my dear we're still good-byeing



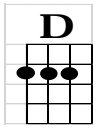


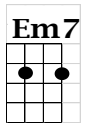


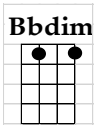


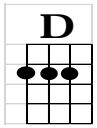
Am Am G

But as long as you love me so Let it snow, let it snow, let it snow



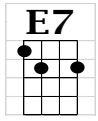


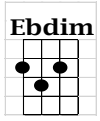


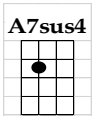


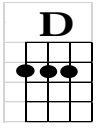
G G Am

The fire is slowly dying And my dear we're still good-byeing



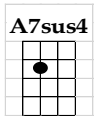


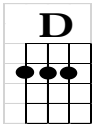


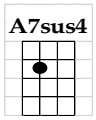


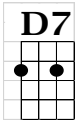
Am Am G

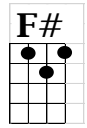
But as long as you love me so Let it snow, let it snow, let it snow











G G / G/

Let it snow, let it snow, let it snow Let it snow, let it snow, let it snow
