

Maggie May

INTRO: Dm//// G//// C//// ////

G F C
Wake up, Maggie, I think I got something to say to you
G F C
It's late September and I really should be back at school
F C F G
I know I keep you amused, but I feel I'm being used
Dm Em Dm
Oh, Maggie, I couldn't have tried any more

G Dm G
You led me away from home, just to save you from being alone
Dm G C
You stole my heart, and that's what really hurts

G F C
The morning sun, when it's in your face really shows your age
G F C
But that don't worry me none in my eyes, you're everything
F C F G
I laughed at all of your jokes, my love you didn't need to coax
Dm Em Dm
Oh, Maggie, I couldn't have tried any more

G Dm G
You led me away from home, just to save you from being alone
Dm G C
You stole my soul, and that's a pain I can do with-out

Maggie May - pg. 2

G F C
All I needed was a friend to lend a guiding hand

G F
But you turned into a lover, and, mother,

C
what a lover you wore me out

F C F
All you did was wreck my bed, and in the morning,

G
kick me in the head

Dm Em Dm
Oh, Maggie, I couldn't have tried any more

G Dm G
You led me away from home 'cause you didn't wanna be a-lone

Dm G C
You stole my heart, couldn't leave you if I tried

G F C
I suppose I could collect my books and get on back to school

G F C
Or steal my daddy's cue and make a living out of playing pool

F C F G
Or find myself a rock 'n' roll band that needs a helping hand

Dm Em Dm
Oh, Maggie, I wished I'd never seen your face

G Dm G
You made a first-class fool out of me But I'm as blind as a fool can be

Dm G C//// ////
You stole my heart, but I love you any-way
