I wanted you for life, you and me in the wind

I never thought there'd come a time

G Asus4// A//  
that our story would end

D F#m G E7  
It's hard to under-stand... but I guess I'll have to try

D Asus4// A// D//// ////  
It's not easy to say... good-bye

D F#m G Asus4// A//  
For all the joy we share, all that time we had to spend

D F#m G Asus4// A//  
Now if I had one wish, I'd want for-ever back again

D F#m G E7  
To look into your eyes and hold you when you cry

D Asus4// A// D//// ////  
It's not easy to say... good-bye

F#m G A D  
I remember all those great time we had

G A D  
So many memories, some good, some bad

G Asus4 A A7// A////  
Yes and through it all, those memories will last for - ever

D F#m G Asus4// A//  
There's peace in where you are, maybe all I need to know

D F#m G Asus4// A//  
And if I listen to my heart, I'll hear your laughter once more

D F#m G E7  
And so I have to say I'm just glad you came my way

D Asus4// A// D//// //// F#m//// G//// Asus4//  
It's not easy to say... good-bye
