We were out on a date in my daddy's car.

C D  
We hadn't driven very far.

G Em  
There in the road, straight ahead ...

C D  
A car was stalled, the engine was dead.

G Em  
I couldn't stop, so I swerved to the right.

C D  
Never forget the sound that night ...

G Em  
The cryin' tires, the bustin' glass.

C D G// Em// C// D//  
The painful scream that I heard last.

G Em C D  
Well, where oh where can my baby be? The Lord took her a-way from me

G Em  
She's gone to heaven, so I got to be good,

C D G// Em// C// D//

## Last Kiss - pg. 2

G Em  
Well, when I woke up, the rain was pourin' down.  
C D  
There were people standing all around.  
G Em  
Something warm running in my eyes,  
C D  
But I found my baby somehow that night.  
G Em  
I raised her head, and when she smiled, and said,  
C D  
"Hold me darling for a little while."  
G Em  
I held her close. I kissed her our last kiss.  
C D  
I found the love that I knew I would miss.  
G Em  
But now she's gone, even though I hold her tight.  
C D G// Em// C// D//  
I lost my love ... my life, that night.

G Em C D  
Well, where oh where can my baby be? The Lord took her a-way from me  
G Em  
She's gone to heaven, so I got to be good,  
C D G// Em// C// D//
