INTRO: G//// Bm//// Am//// C//// D//// ////

         G   Bm   Am
Well, I know it's kind of late
              D
I hope I didn't wake you
         G   Bm   Am
But what I got to say can't wait
                 D   C
I know you'd under-stand
              Bbdim
Every time I tried to tell you
    B7   Em//   C//
The words just came out wrong
       G   D   C//// G////
So I'll have to say I love you in a song

          G   Bm   Am
Yeah, I know it's kind of strange
              D
Every time I'm near you
       G   Bm   Am
I just run out of things to say
                 D   C
I know you'd under-stand
              Bbdim
Every time I tried to tell you
     B7   Em//   C//
The words just came out wrong
       G   D   C//// G////
So I'll have to say I love you in a song
