[F] Bum, bum / [Gm] bum, bum bum /

[F] Bum, bum / [Gm] bum, bum bum /

[F] Cherish is the word I [Gm] use to describe [Eb]/[C]

All the [F] feeling that I have hiding [Gm] here for you inside [Eb]/[C]

You don't know [Am] how many times I've wished that I had [Bb] told you

You don't know [Am] how many times I've wished that I could [Bb] hold you

You don't know [Am] how many times I've wished that I could

[Bb]↓ Mold you [Am]↓ into [Gm]↓ someone who could

[Bb] Cherish me as much as I cherish [C] you [C]

[F] Perish is the word that [Gm] more than applies [Eb]/[C]

To the [F] hope in my heart each [Gm] time I realize [Eb]/[C]

That I am [Am] not gonna be the one to share your [Bb] dreams

That I am [Am] not gonna be the one to share your [Bb] schemes

That I am [Am] not gonna be the one to share what

[Bb]↓ Seems to [Am]↓ be the [Gm]↓ life that you could

[Bb] Cherish as much as I do [C] yours [C]

Oh, I'm be-[Gm]ginning to think that [C] man has never found

The [Am] words that could make you want [E] me

That have the [C] right amount of letters, [F] just the right [Dm] sound

That could [Bb] make you hear, [Gm] make you see

That you are [Eb] drivin' me out of my [C] mind [C]↓

Oh, I could say I [F] need you, but then you'd [C] realize

That I [Cm] want you just like a [D] thousand other guys

Who'd say they [Bb] loved you, with all the [C] rest of their lies

When all they [Dm] wanted was to [Bb] touch your face, your [Dm] hands

And [Eb] gaze into your [C] eyes... [C]/[D7]/[D7]/

[G] Cherish is the word I [C] use to describe [F]/[D]

All the [G] feeling that I have hiding [C] here for you inside [F]/[D]

You don't know [Bm] how many times I've wished that I had [C] told you

You don't know [Bm] how many times I've wished that I could [C] hold you

You don't know [Bm] how many times I've wished that I could

[C]↓ Mold you [Bm]↓ into [Am]↓ someone who could

[F] Cherish me as much as I cherish [D] you [D]↓

[G]↓ And [C]↓ I [D] do [D]↓ [G]↓ che-[C]↓rish [D] you [D]↓

[G]↓ And [C]↓ I [D] do [D]↓ [G]↓ che-[C]↓rish [D] you [D]↓

Cherish is the [Am7]↓ word
